EPICURE TASTES SUCCESS

On August 7, EPICURE at Brisbane City Hall won the awards for Caterer of the Year and Venue Caterer at the Queensland and Northern Territory Savour Australia™ Restaurant & Catering **HOSTPLUS** Awards for Excellence 2015.

EPICURE Venue Manager and Restaurant & Catering Australia (R&CA) member Michael McDonald said:

“It is a very proud moment for EPICURE at Brisbane City Hall to receive both of these accolades. The awards resonate strongly with our food philosophy, and reinforces our belief and practice in responsible catering.”

Brisbane City Hall is one of Queensland’s most significant heritage and cultural icons. Since its opening in 1930, Brisbane City Hall has been a symbol of civic pride and over the years it has become one of Brisbane’s greatest icons and the home of elegance and grandeur.

With more than ten exquisite function rooms to choose from, Brisbane City Hall is an impressive venue. EPICURE at Brisbane City Hall provides a fine culinary experience for large-gala events, weddings, receptions, ceremonies, concerts, and more, ensuring your special occasion is seamless, professional and memorable.

Brisbane City Hall’s magnificent King George Square foyer exudes a majestic grandeur, with its marble staircases and high-vaulted ceilings, chandeliers, and mosaic tiled floors, it is sure to impress all those who enter.

With more than 200 local restaurants, cafes and catering businesses judged across 38 categories, guests attended the Awards for Excellence ceremony at the Brisbane Convention and Exhibition Centre.

The Awards for Excellence is a nationally recognised, independently judged awards program that celebrates exceptional service and culinary talent across Australia. The Awards for Excellence is an authoritative guide to Australia’s best restaurants and caterers, recognising and promoting industry best practice.

R&CA CEO John Hart said:

“The winners should be proud of their achievements. The culinary experiences in Queensland and the Northern Territory are world-class. The winners tonight make a significant contribution to the industry and our reputation as a destination for great food.

“The winners have been rigorously reviewed in one of the most objective awards systems, which looks at the entire dining experience, rather than a single food or service dimension,” Mr Hart said.
